*Note: .122/.142 chaplets share same tool

Please note that any future additions to the stock range will have quantities of 50 chaplets per tree

Chaplets can be supplied in standard colour of your choice, although small quantities in colours different to table listing may attract a m/c setup charge of £50 per order.

Standard colours as listed in table (colours may vary depending on availability).

If you need a size other than those listed we can provide a quote if you let us know the size required.
